### About Phoenix

Phoenix Association is a registered French charity that exists with the sole aim of dealing with the sad plight of the ever-increasing number of animals in need in and around the Dordogne.

We take in abused and abandoned animals, nurturing them in our voluntary network of foster homes and then placing them in loving, permanent homes. We work with maximum care and attention with a small number of animals at a time.

**Phoenix is not state-funded**, so in order for us to continue our work, **we rely upon donations** to fund our veterinary, fostering and re-homing costs. Every donation that we receive, however large or small, goes towards helping animals in desperate need. Please visit our website to find out more about our animals available for adoption, foster caring, how to donate, how to join as a Member, and much more.
